God, how good it is to look at her, so graceful, good and beautiful!

For the great gifts that are in her everyone stands ready to praise her.

Who could get enough of her? Ever her beauty is renewed.

God, how good it is to look at her, so graceful, good and beautiful!

Over here, nor over there, the sea does not know a lady or damsel

Who would be so perfect in all her gifts; It is a dream to think of this,

God, how good it is to look at her, so graceful, good and beautiful!
